

St Arvans Memorial Hall Needs YOU!

The hall is a very important part of our community, a busy place where local people of all ages can get together for a wide range of activities.

Regular Activities Include:

Toddlers, Tai Kwondo, 7 Dancing Groups, Music with Mummy, several u3a Groups, Art, Zumba, Baby Ballet, Pilates, Judo, Choir, Warhammers, Gardening Club etc.

Here are just a sample of the range of Occasional Hirings:

Parties, Dog Shows, Exhibitions, Meetings, Seminars, Workshops, Hearing Dogs for Deaf People, NCT, Drama Production and a film for Channel 4.

The hall is organised by a Management Committee. Thankfully, the diverse and full programme of activities brings in a good income so no fund-raising should be needed in the near future. However, due to the retirement of some members who have been involved for many years, the hall needs volunteers to join the committee and manage what is really like a small business.

Do you think that you could help? We meet just 6 times a year so the commitment is not huge. We would love to hear from you. Please do think about giving a little of your own time (precious we know!) to contribute to the support of a village gem.

Please give the secretary, Judith, a call or text on 07870 500300 or email starvansbookings@gmail.com. She can give you all the information you need if you would like to know more.
